All enquiries should be sent to [referrals@thestartingpointcentre.co.uk](mailto:referrals@thestartingpointcentre.co.uk).

## Hiring our space

Our centre is a huge, fun and safe place equipped with a café, whacky warehouse, marquee, garden areas, football, basketball courts and a whole bunch of toys and activities for children to use, making it an ideal place for children's events and parties. Prices are given upon enquiry based on your bespoke needs. However, please note the hourly or daily room rental fee provided will NOT include any contact or supervision. It is a rental price only for use of our space. The café would also be self catering but we could allocate a staff member to tend to the café for larger groups with an additional fee.

Meeting rooms are available for professionals and review meetings.

Prices are available on request by contacting our team [referrals@thestartingpointcentre.co.uk](mailto:referrals@thestartingpointcentre.co.uk).

We are working very hard to support families and secure funding for all our services. Please enquire about what funding or special offers we have available to support you.

Please note, **A REFERRAL FEE OF £100 (PER FAMILY)** is payable to ensure a full risk assessment can be completed.

All our prices are shown exclusive of VAT
